

Zebronics Logo usage

Minimum size allowed is 20mm.

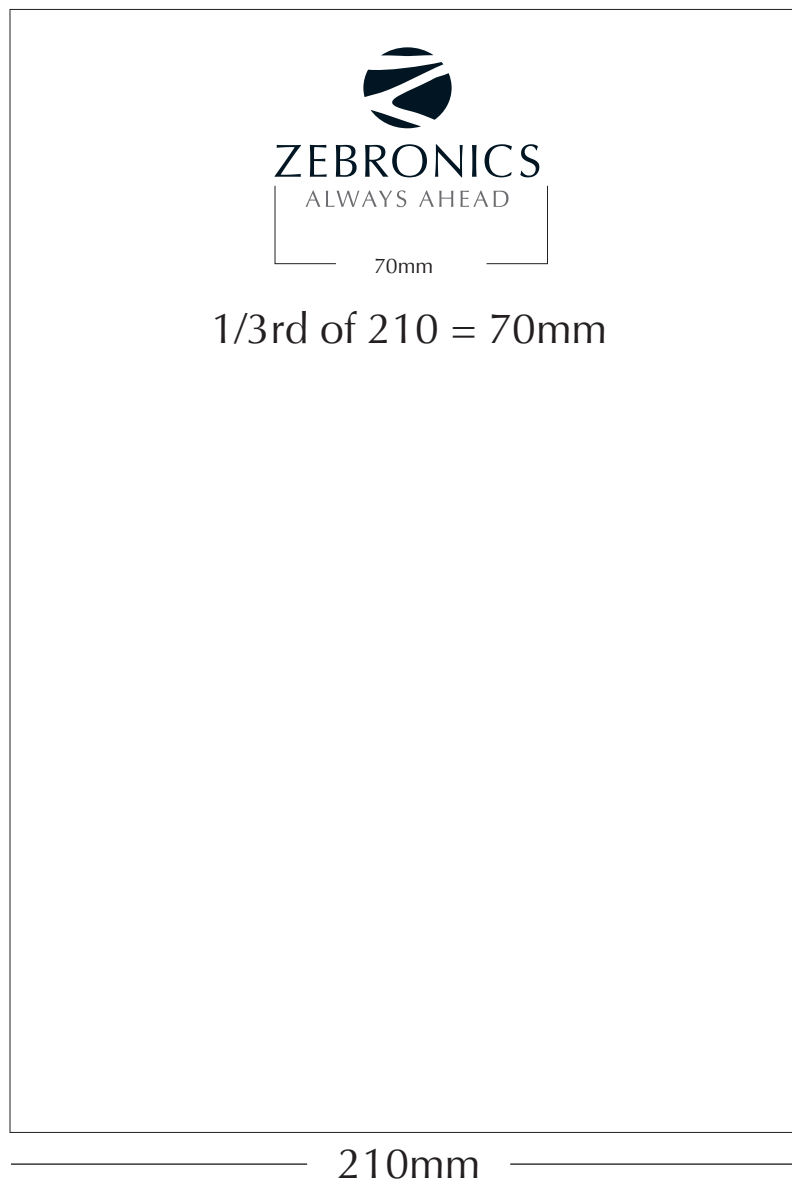

Do not resize the logo beyond 20mm for readability will suffer

No distortion allowed. Supply the external vendor the digital version of the logo and no vendor is allowed to create the logo independently

Width of logo always to be 1/3rd of the width
of the area it occupies in areas other than
stationary and packaging

Example

Logo against colour background (darker hues)

Logo against colour background (lighter hues)
